Benefits for Your Business

Reach over 400,000 potential visitors by advertising in the 2005-2006 Official Destination Guide to the Midland Trail National Scenic Byway. We print and distribute up to 200,000 copies.

Each week we mail 200 - 500 Guides to individuals who request the Guide as a result of our marketing program. In addition the Official MT Destination Guide is made available to the public at all WV travel plazas, Tamarack, fairs, festivals, reunions, 150+ attractions & businesses along Rt. 60 and the Gateways. It is also supplemented by the Route 60 Day Tripper.

Midland Trail Destination Marketing Program

While the guide is the largest portion of the Trail's marketing initiative, it is accompanied by many other marketing tactics. They include:

- Broad television, radio and print advertising campaign that has generated over 1,500 leads per month from individual travelers requesting more information
- National and international exposure through the National Scenic Byway Marketing Program
- Statewide and local targeted distributions through visitor welcome centers, parks, business outlets and fairs and festivals
- Multi-state, regional and national distribution through trade shows, AAA offices, direct mail and leads from our extensive advertising campaign
- Affiliation with our new website at www.midlandtrail.com, leads program and partnership with our 200-mile linear community of 42+ communities
